PRODUCTION SUPPORT

CARNET FORM

If you are planning on using BU equipment overseas you will need to discuss your plans with the Production Support Team (PG-G12) who will inform you of the equipment options available.

After you have booked the equipment on SISO you will need to provide us with the following details. You will need to download and save this form before completing it in Adobe Acrobat. Once completed send a copy to sgcounter@bournemouth.ac.uk at least 2 working days before your collection date.
